WEEK 5 WINNERS!

Another successful week of campaigning, City of Austin! We have raised over \$330,000 and up about \$25,000 over where we were at this time last year. We still have \$170,000 to go in order to reach our goal. Let's keep at it!

This week, we have the following repeat 4 winners that will be visited by our T-Rexes. Outstanding participation was shown by the following departments:

★ **Austin Public Health** with **8.8% participation** in the large departments category for a 3rd week (**Shout out to Public Works following with 5.9%**).

★ **Austin Transportation** with **15.5% participation** in the medium departments category and 4th week of winning (**Shout out to Watershed Protection with 13.5%**),

★ **Law** with **21.5% participation** in the small departments category for the 3rd week (**Shout out to Human Resources in 2nd place with 12.7%**), and

★ **Office of the City Auditor** with **66.7% participation** for the 4th time in the very small departments category (**Shout out to Telecommunications and Regulatory Affairs with 58.8%**).

Congratulations to those departments! **The campaign has been extended until next Friday, November 8th so let's not lose momentum.** Keep at it, City of Austin! We can do this.
